XI. Read the following passage carefully and answer the questions

given below :

1 × 4 = 4 (2 + 2)

43. Many words in the dictionary have nearly disappeared from spoken language. Some words that were once used to name certain things disappeared as new inventions replaced the old.

Other words have disappeared because people say things differently today. These changes take place gradually as, over the years, the new word becomes popular and the old word is used less and less until it finally disappears.

When automobiles were invented, certain vehicles of transportation began to disappear. The words surrey, gig, buckboard, brougham, carriage, buggy, shay, calash, chaise, cariole and tilburg are rarely heard today. These words were once used to name different kinds of horse-drawn vehicles. You may encounter these words when reading, but you seldom hear them today.

Questions :

- a) Why do some words disappear from spoken language ?
- b) What were the words used to name different kinds of horse-drawn vehicles ?

XII. Write an essay of about 18-20 sentences on any one of the following topics :

1 × 5 = 5

- 44. a) The effect of plastic pollution on marine life — Measures to be taken.
